

ORDINANCE #160

An Ordinance of the Town of Ashland City, Tennessee adopting an ordinance for the requirement for sewer infrastructure.

Be It Ordained by the Town of Ashland that all new sewer line construction provided to the Town as a result of private development meet the gravity sewer requirements as promulgated by the Tennessee Department of Health and Environment unless otherwise excepted by the City Council of the Town of Ashland City.

This Ordinance shall become effective twenty (20) days after final passage, the public welfare requiring it.
